 SUBJECT LINE: Web Conferencing

## GOING **GREEN** THROUGH OUR HEALTH CARE WEB-MEETING SCENE

### Meet More. Travel Less.

### Enjoy the freedom of online meetings.

### Improve Collaboration.

Take advantage of the **FREE & Easiest** meeting collaboration solution through Washington's Center of Excellence for Allied Health.

Meet, Demonstrate, Present, & Collaborate – right from your own computer..

### Share ideas online.

Exchange information, make decisions, and collaborate just like you would in person— even when you're miles away.

Skip the back and forth emails and time-consuming trips. Meet colleagues, customers, and partners online and get more done faster than ever.

Show presentations, demonstrate applications, share anything on your computer screen.

Let the Center of Excellence for Allied Health help you make virtual collaboration a part of your Allied Health / Health Sciences education / business operations.
